

NOTICE/DISCLAIMER REGARDING MEDICAL USE

STERILIZER

Upon initial sale, this sterilizer is intended for medical use as a medical device. The sterilizer will not be fit for medical use if any modification or alteration of the sterilizer, or any component or part, is done by anyone other than Wisconsin Aluminum Foundry.

Modifications or alterations include, without limitation, routine servicing and replacement of component parts, or repairs of the sterilizer. To obtain maintenance or servicing of the sterilizer to maintain its use as a medical device, contact Wisconsin Aluminum Foundry to request such servicing:

Wisconsin Aluminum Foundry Co., Inc.
Consumer Products Division
1931 South 14th Street
Manitowoc, WI 54220
<https://wafco.com/contact/>

Any servicing performed by Wisconsin Aluminum Foundry after the initial sale of the sterilizer shall be at the expense of the Purchaser/Owner of the sterilizer.

Wisconsin Aluminum Foundry disclaims any liability for any claims, damages, injuries, or harm arising from, or caused by, the medical use of the sterilizer after the sterilizer or any component or part is modified or altered by anyone other than the Wisconsin Aluminum Foundry.

If you have previously performed modifications or alterations, including replacing components or parts, or repairing components or parts, and need to use your sterilizer for medical use, please contact Wisconsin Aluminum Foundry to inquire further.

REPLACEMENT PARTS

BY PURCHASING AND/OR INSTALLING ANY REPLACEMENT COMPONENT OR PART IN YOUR STERILIZER, YOU ARE ACKNOWLEDGING AND ACCEPTING THAT YOUR STERILIZER WILL NOT BE FIT FOR MEDICAL USE AS A MEDICAL DEVICE.

If you need your sterilizer for medical use as a medical device, do not install any replacement component or part, and instead contact Wisconsin Aluminum Foundry for maintenance or servicing at the contact information above.

NOTICE/DISCLAIMER REGARDING MEDICAL USE
